COMMUNICATION

Communication between home and school is essential in supporting a student's learning and well-being. We value respectful and direct communication. If you have pedagogical questions or concerns, please speak with the student's teacher. If further support is needed, please speak with the Pedagogical Director. If you have administrative or financial questions, please speak with the Administrative Head or Finance Officer.

ANNUAL GIVING CAMPAIGN

As an independent school and not-for-profit charitable organization, Mulberry relies on tuition revenues and donations to operate our school. Tuition revenues fund only 80% of our operating and capital costs. ***Each family's donation helps sustain our school. Watch for news about our Annual Giving Campaign in the fall!***

ASSESSMENTS AND EXTERNAL SUPPORT

We ask that parents/guardians share any potential or existing health, educational or behavioural concerns, as well as any progress reports and/or assessments (e.g., reports from previous schools and any psycho-educational, speech language therapy, occupational therapy, physiotherapy assessments). ***Sharing this information and any updates is essential to support the student's learning and well-being.***

If a student's needs cannot be met by our program and our staff, a teacher will meet with the parents/guardians to share observations and discuss options. The teacher may recommend assessments and/or external support. The school reserves the right to discharge a student if we are unable to meet the student's needs while continuing to meet the needs of the other students in the class.

I/We agree to discuss and follow recommendations made by the student's teacher regarding assessments and external support for learning and/or behavioural challenges when the student's needs cannot be met using the resources available at Mulberry Waldorf School.
